Heating element for measuring head 10671/270765

Name of component:	Heating element for measuring head
Old part no.:	10671
New part no.:	270765
For model:	All VN/87 & VN/87 EMC

Export data:

Material:	Cast iron & rubber
Country of origin:	DE
HS code:	90 3190 00
Dimensions (cm):	24x16x3
Net weight (g):	286
